Fall 2005

## CCV Board Approves \$195,000 for 2006 Grants

The CCV Board of Directors approved a 21% increase in the IOLTA grant budget for 2006 funding, raising the total available to \$195,000. Any New Mexico 501(c)(3) organization that provides civil legal services for the poor, law-related education for the public or improvements in the administration of justice is eligible to apply for IOLTA funding.

Applications were due on November 1, will be considered by the IOLTA Grant Committee on November 17, submitted to the CCV Board on December 14, and forwarded to the State Supreme Court for its review and approval.

Grantees are usually notified of the Court's decisions by February 1.

## Coming Soon to a Mailbox Near You

Each year, hundreds of New Mexico attorneys submit *Trust Account Certification* forms that are noncompliant with the Rules Governing Discipline and/or with the Rules of Professional Conduct. Many of these are due to what we've been told is a lack of clarity in how to properly complete the form. We've read your comments and heard your concerns, and big improvements are on the way.

Thanks to the collaborative efforts of the State Bar of New Mexico, the State Supreme Court, the Disciplinary Board and CCV, your 2006 licensing form will include a new and improved (and much easier to complete) Trust Account Certification and IOLTA Participation section.

**Thank you** to the lawyers and law firms on these pages for your participation in the IOLTA program. You are making a difference in the lives of more than 350,000 New Mexicans each year!
