Teams 1 - 8 will advance to State Finals in March

Teams are ranked based upon Rule 5.5(b):

For the purpose of determining final rankings at the conclusion of regionals and state finals, teams shall be ranked based upon the following criteria in the order listed, provided that if by application of the criteria a team is ranked higher than a team with the same win/loss record that defeated it, the losing team shall be placed immediately below the winning team (i.e., a team cannot place above a team that defeated it, if both teams are in the same win-loss bracket):

1. win/loss record;
2. number of wins against 3-1 teams;
3. number of wins against 2-2 teams;
4. number of wins against 1-3 teams;
5. total number of ballots won;
6. total number of points awarded; and,
7. point spread against opponents (total points awarded minus total points awarded to opponents).

Teams drawing a bye received average ballots and average points of all teams in the winning bracket for that round; for purposes of the final ranking, it is assumed that the bye team beat an "average" team, or a team in the 2-2 bracket.
